smart architectural aluminium **Alitherm Heritage - The "Alternative to Steel"**

Our Slimmest Window

The Smart Alitherm Heritage window is designed to offer a modern aluminium replacement to the traditional steel window

The window features signature slim sight lines and attractive contours.

The similarity is so close, that the window will often satisfy the exacting requirements of 'Heritage' restoration.

Standard Specification:

- Slimline profile - one of the slimmest on the market
- Thermal break - for thermal performance - exceeding Part L requirements
- High security locking
- Available with externally glazed fixed panes or internally glazed with dummy sashes
- Single and dual RAL colour options

Alitherm Heritage sash and frame - 58mm

Full range of RAL Colours

Ideal replacement for traditional steel windows
